

Kathryn Lisech was on a missions trip to Hungary

## An Update from Howard & Bonnie Lisech

The Lisech family reunion was held June 28-July 5, 2014 and we were so excited to host it at our home in Arkansas-some in our family had not been here. Scott and Aaron rented local houses for their families. Bryan brought his camper and Sherri's family and Jeff stayed with us but the whole family (24 of us this time) enjoyed meals together in our home.

God has graciously given us such a wonderful place to swim, boat, kayak, and fish. Most also went on a horseback ride near us. We are so thankful to the Lord that all the activities were safe and everyone was looking after each other.

Many of our church friends asked us how it went and all we could think of was "PERFECT." It was such a blessing to experience the love, joy, care, selflessness, and thoughtfulness each person displayed. Each family was responsible for a day of food and it was so yummy and everyone was so willing to help!

This year I have been relearning a lot about gardening in the midwest. Some efforts were successful and some were not. We are eating a lot of green beans, onions & broccoli but my tomatoes have been disappointing. Next year I think we will do better.

Before the family reunion I was able to make some good progress my PIONEERS image project. Recently we had good friends visit for several days, and I was helping our church camp get some simple wooden birdhouse projects ready so I need your prayers for focusing back on classifying PIONEERS images now.

We just started team teaching *Abide in The Vine* as a adult sunday school class. We pray this will impact people and be a blessing.

Bonnie is continuing to write quarterly *ESPECIALLY FOR YOU* encouragement letters and for about 850 PIONEERS ladies worldwide and 600 other missionaries, friends, family, and homeschool moms.

*(If you would like to added to the list, just email BonLisech@aol.com).*

*We continue to need and value your prayers as we live near some of our family and continue to serve PIONEERS on a part-time basis.*

**Thank you for praying for and supporting us!**

### PRAISE:

- Thanks for praying! Our support level at PIONEERS has stabilized.
- Our wonderful family reunion
- Being closer to family
- Quieter, simpler lifestyle
- We love our little Bible church

### PRAYER REQUESTS:

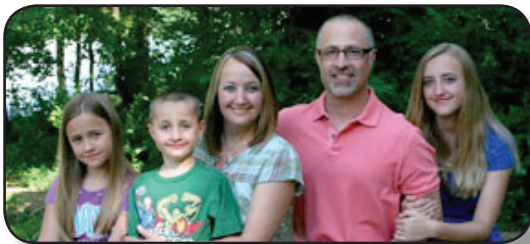

- Progress on my PIONEERS project
- Bonnie's research and writing of the Sr. High Bible study curriculum
- Improved sales of our missions and Bible curriculum
- For *each of our family members* as they walk with the Lord each day.
