

## Using These Songs

**33 Bible Songs Kids LOVE to Sing!** was created to assist you, the Christian educator, in teaching children ages 6-11 the truths of Scripture.

Songs PROGRESS IN THEME from God our Creator through mankind's fall into sin and need of a Savior, focusing especially on the birth, life, death, resurrection, and saving work of God's Son, JESUS CHRIST.

All songs are written as LEAD SHEETS for VOCAL, PIANO and GUITAR.

For some of the songs, SEPARATE VERSIONS are included for vocal/piano and vocal/guitar to provide suitable keys for these instruments.
